
State Of Utah
County Of Weber ss.

I, H. B. Way, being first duly sworn, depose and say that this Map has been correctly drawn to the designated scale from field notes of a survey made by me, on the 13th day of October 1927. That it truly and correctly represents the location and extent of the works used to divert water from Milk House Spring in Elko County, Nevada, by The Utah Construction Co. for Stockwatering Purposes Under Application No. 7452; That the Point of diversion, the location and size of the diversion works, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated thereon.

H. B. Way
State Water Right Surveyor

Subscribed and Sworn to before me this 30th day of November 1927.
