I, Frank Walker, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me between the 27th, and 30th day of November 1932; that it truly and correctly represents the location and extent of the works used to divert water from Willow Spring, in Lincoln County by Rufus E. Hurst for irrigation and domestic purposes; That there are no other works or streams crossed by or, connected with said works, and the boundry, area and kind of culture of lands irrigated are correctly shown and designated hereon.
