I. W.H. SETTELMEYER, being first duly sworn, depose and say that this map, has been correctly drawn to the designated scale from field notes of a survey made by me on the 23rd day of April, 1930; that it truly and correctly represents the location and extent of the proposed works to be used to divert water from a spring in Elko County, by Hattie Helsley for STOCK-WATERING purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.
