State Engineer Office
Carson City
Nevada

Dear Sir,

I herewith make application to the Engineer Office for an adj of the water of Cottonwood Creek in Northern Nye County. Reese River Mr. P. Walsh Austin Nevada, is t practically all of the water from the I consider that I have a prior in this stream which from time time has been disregarded by P Walsh by making dams and turnin the water of Cottonwood Creek out of natural channel and taking it arou my land. I trust you will give th your earliest attention.

Thanking you for the fav

I am very truly yours
Mrs Constance F. A
