APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the number of stock watered daily, which number must be stated in the proof of beneficial use when filed. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.001

cubic feet per second, or sufficient to water 30 head of stock (10 horses and 20 cattle).

Actual construction work shall begin on or before April 4, 1957

Proof of commencement of work shall be filed before May 4, 1957

Work must be prosecuted with reasonable diligence and be completed on or before April 4, 1958

Proof of completion of work shall be filed before May 4, 1958

Application of water to beneficial use shall be made on or before

April 4, 1959. Proof of the application of water to beneficial

use must be filed with State Engineer on or before May 4, 1959

Proof of commencement of work filed MAR 12 1957

Filed June 18, 1956

WITNESS MY HAND AND SEAL this 4th day

Proof of Completion of work filed JAN 20 1958

of October 1956

PROOF OF BENEFICIAL USE FILED MAR 20 1959
