I, Horace H. Sheldon, being first duly sworn, depose and say that the above map is a true and accurate plat of the irrigation works, as taken from the field notes of a survey made by me, completed on the 23rd day of April, 1916; that such survey was made at the instance of Jean Etchart Loge; that the map represents the works described in application No 2990, together with the location of streams and ditches in the immediate vicinity.
