E. Bollschweiler, being first duly sworn deposes and says the above map is a fairly accurate plat of the lands irrigated by H.A.LEACH, as taken from the field notes of a survey made under my supervision, completed on the 5th day of June 1919. That the map and survey were made at the instance of H.A. LEACH. owner of said land, and it truly represents the irrigated land of said H.A.LEACH.
