I Eugene E. Blanchard, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale by me, from U.S.G.S. 7.5 minute topographic quadrangles. A field verification was conducted by Forest Service personnel. That it truly and correctly represents the location and extent of waters used from: Pine Creek and Andrews Creek and their tributaries.

by UNITED STATES of AMERICA, Forest Service, for stock watering purposes; that the points of diversion, location of water channel, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated hereon.
