I Salvador Estrada, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale by me, from U.S.G.S. 7.5 minute topographic quadrangles, and a field review conducted by me during 1981-1984. That it truly and correctly represents the location and extent of waters used from: Davies Spring

by UNITED STATES of AMERICA, USDI BLM for stock watering purposes; that the points of diversion, location of water channel, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated hereon.
