I. A. M. Green, being first duly sworn depose and say: that a survey for the location of Willow Spring and Elder Spring, shown on this map was made by me about the year 1926 at the instance of Forrest A. Perry: that at that time the lands shown upon this map was unsurveyed and the said springs were located as nearly as was possible in relation to existing corners in T 44 N-R. 24 E.: that this map has been drawn from field notes taken during an actual survey made by me, at the instance of Harry L. Wilson on the 14th day of October, 1936, to the scale designated thereon, and that it accurately represents the location of the said springs and the location and extent of works for improvement thereof for stock watering purposes
