I, W.H. Settelmeyer, being first duly sworn, depose and say that this map has been drawn to the designated scale from field notes of a survey made by me on the 8th & 9th day of December 1941; that it truly and correctly represents the location and extent of the works used to divert water from Walti Spring No. 19 in Lander County, by Fritz Walti for irrigation purposes under application No. 8397. That the point of diversion, the location, size and grades of the diverting channel, the location and extent of lands owned or controlled by the applicant upon which water applied for under application No. 8397 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
