whose occupation is Rancher - Farmer and protests the granting

of Application Number 84896 - 84906, filed on March 3, 20 15

by Rodney St. Clair for the

waters of under ground source situated in Humboldt
an underground source or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit: Mr. St. Clair has filed a blanket transfer of water rights from private land to public land owned by the Federal Government. The public land in section 5, 6, and 7 are part of my BLM allotment and decreasing my grazing land by 640 acres would greatly affect my operation. Mr. St. Clair has applied for a Desert Land Entry through the BLM office. Desert Land Entries started in 1877 for the use of new water rights, it would be an unethical if not illegal use of the system to move water rights onto public land for the sole purpose of increasing land holdings without paying fair market value, Mr. St. Clair has not demonstrated that he has excess water rights not covered by private land.

THEREFORE the Protestant requests that the application be Denied
Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.
