I, F.W. Millard, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 24th and 26th days of June, 1932, and the 25th and 27th days of October, 1936; that it truly and correctly represents the location and extent of the works used to divert water from FITZHUGH CREEK in White Pine County by JEAN PIERRE EYHERALT for irrigation purposes under application No. 9607. That the point of diversion, the location, size and grades of the diverting channel, the location and extent of the lands owned or controlled by the applicant upon which the water applied for under application No. 9607 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with the said works are fully and correctly designated thereon.
