I, John V Mueller, being first duly sworn depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 15th day of August and the twentieth day of August 1940 that it truly and correctly represents the location of the proposed point of diversion of water from Ward Spring and Unnamed Spring in Humboldt County by Getchell Mine Inc. for mining milling and domestic purposes. That the location and names of all other works or streams which are crossed by or connected with said points of diversion are fully and correctly designated hereon.
