APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place and manner of use of the waters of Railroad Spring heretofore appropriated under claim of vested right as evidenced by Proof of Appropriation of Water V01577, is issued with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and measuring device must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times. This permit is issued subject to any determination of the waters of Railroad Spring that may be made under adjudication proceedings under NRS 533.090 through 533.320.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The point of diversion and place of use are as described on the submitted application to support this permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, **and not to exceed 0.18 cubic feet per second or 130 acre-feet annually**.

Work must be prosecuted with reasonable diligence and proof of completion of work shall be filed on or before:	**October 30, 2009**
Water must be placed to beneficial use and proof of the application of water to beneficial use shall be filed on or before:	**October 30, 2010**
Map in support of proof of beneficial use shall be filed on or before:	**N/A**

IN TESTIMONY WHEREOF, I, TRACY TAYLOR, P.E.,

State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 30th day of **October**, A.D. **2008**
