APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion, manner of use and place of use of the waters of an underground source as heretofore granted under Permit No. 12424, Certificate No. 4959 is issued subject to the terms and conditions imposed in said Permit No. 12424, Certificate No. 4959 and with the understanding that no other rights on the source will be affected by the change proposed herein. A meter must be installed in the discharge pipe line, near the point of diversion, and accurate measurements must be kept of water placed to beneficial use. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.30 cubic feet per second

Actual construction work shall begin on or before July 13, 1961

Proof of commencement of work shall be filed before August 13, 1961

Work must be prosecuted with reasonable diligence and be completed on or before July 13, 1962

Proof of completion of work shall be filed before August 13, 1962

Application of water to beneficial use shall be made on or before July 13, 1963

Proof of the application of water to beneficial use shall be filed on or before August 13, 1963

Map in support of proof of beneficial use shall be filed on or before

Commencement of work filed FEB 14 1961

Completion of work filed APR 19 1962

Proof of beneficial use filed July 10 1963
