APPROVAL **OF STATE ENGINEER**

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion, place of use and manner of use of a portion of the waters of an underground source as heretofore granted under Proof of Vested Right 07660 is issued subject to the terms and conditions imposed in said Proof of Vested Right 07660 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of the water begins or before the proof of completion of work is filed. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This permit is issued subject to the final determination of the right as established in an adjudication of the source.

(CONTINUED ON PAGE 2)

(PERMIT TERMS CONTINUED)

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.2 cubic feet per second, but not to exceed 808.0 acre-feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before:
February 19, 1999

Proof of completion of work shall be filed before:
March 19, 1999

Application of water to beneficial use shall be filed on or before:
February 19, 2002

Proof of the application of water to beneficial use shall be filed on or before:
March 19, 2002

Map in support of proof of beneficial use shall be filed on or before:
