
STATE OF NEVADA }
COUNTY OF CLARK } ss

I, Jack K. Leavitt, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 22nd day of July, 1968; that it truly and correctly represents the location and extent of the works used to direct water from surface springs (Manse Spring and Manse Spring No. 2) – Pahrump Valley Basin in Nye County, Nevada by Murton Bowman for irrigation and domestic purposes under application and permit No. 19334; that the points of diversion, the location and size of the diverting channel, location and description of all measuring devices, the location and extent of all lands owned or controlled by the applicant, upon which water appropriated under application and permit No. 19334 is used, together with the area and kind of culture in each 40 acre subdivision, and the names and location of all other works or streams which are crossed by or connected with said works are fully and correctly designated hereon.

Jack K. Leavitt
State Water Right Surveyor

Subscribed and sworn to before me this 23rd day of August, 1968

Dorothy M. Leavitt
Notary Public in and for said County and State

My commission expires: January 10, 1972
