I, J.R. Caldwell, being first duly sworn depose and say that this map, consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me between the 1st day of April 1969 and the 24th day of May, 1969 that it truly and correctly represents the location and extent of the works used to divert water from underground in Humboldt County, by N.J. Ranches for irrigation and domestic purpose under permit No. 20391
That the point of diversion, the location, size of diverting channel, location and description of all measuring devices, the location and extent of lands owned or controled by the applicant upon which water applied for under permit No. 20391 is used together with area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.
