APPROVAL **OF STATE ENGINEER**

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion, place of use and manner of use of a portion of the waters of an underground source as heretofore granted under Permit 53924, which changed the point of diversion of water heretofore appropriated under claim of vested right as evidenced by Proof of Appropriation of Water 04885, is issued with the understanding that no other rights on the source will be affected by the change proposed herein. This well shall be equipped with a 2-inch opening and a totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of water begins or before the proof of completion of work is filed. If the well is flowing, a valve must be installed and maintained to prevent waste. The State reserves the right to regulate the use of any water under this proposed change at any and all times. This permit is issued subject to any determination of the waters of an underground source that may be made under adjudication proceedings under NRS.533.090 through 533.320.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The total combined duty of water under Permits 64239, 64240, and 64241 shall not exceed 40.0 acre-feet annually.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed **0.07** cubic feet per second, **but not to exceed 40.0 acre-feet annually.**

Work must be prosecuted with reasonable diligence and be completed on or before:
July 11, 2000

Proof of completion of work shall be filed before:
August 11, 2000

Application of water to beneficial use shall be filed on or before:
July 11, 2001

Proof of the application of water to beneficial use shall be filed on or before:
August 11, 2001

Map in support of proof of beneficial use shall be filed on or before:
