I, Charles L. Thomsen, being first duly sworn, depose and say that site inspections have been made by me, between **April 1, 1997 and April 22, 1997,** that the location of each reference monument has been verified by site inspection; that the point of diversion and place of use site has been inspected; that this map, consisting of one sheet, has been correctly drawn to the designated scale from surveying calculation notes prepared by me, relying upon analysis of recorded survey maps and other recorded surveying documents in the office of the Nye County Recorder; that this map truly and correctly represents the proposed location and extent of the worksused to divert water from underground, in Nye County Nevada, by **C. Steve Kirker and Sandra F. Kirker** for irigation purposes under Permit No. **49438.** That the point of diversion, the location, size of the diverting channel or other conduit, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied under Permit No. is used, together with the area and kind of culture in each 40-acre subdivsion, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
