I, Michael D. Buschelman, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from a survey made by me, or my supervision and direction, on March 26, 2012; that it truly and correctly represents the location and extent of works used to divert water from Galena Creek in Washoe County, Nevada, by JOHN P. ENLOE and KAREN F. ENLOE, TRUSTEES OF THE ENLOE FAMILY TRUST DATED JUNE 3, 1999 (AS AMENDED) for purposes as decreed under Permit No. 72078.

That the location of the diverting channel and extent of lands owned or controlled by the permittee upon which water applied for under Permit No. 72078 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of streams and ditches are fully and correctly designated thereon.
