John H. Whitson, being first duly sworn, deposes and says that the above map is a true and accurate plat of the land irrigated by the South Fork of Fitzhugh Creek, as taken from the field notes of a survey made by me and completed on April 1, 1913.

That the map and survey were made at the instance of John H. Magnuson owner of said stream, and that it truly represents the irrigated land of said South Fork of Fitzhugh Creek.

John H. Whitson
Surveyor.

Subscribed and sworn to before me this 16 day of June 1913.
