ENGINEER'S CERTIFICATE

I, A.D. Knowlton, a civil engineer, being first duly sworn, do hereby certify that this map, profile and drawing, consisting of one sheet, has been correctly drawn to the designated scales from the field notes of a survey made by me on the 26th day of May, 1910, that they fully and correctly represent the proposed location, grade line and extent of the works intended to be used to divert water from Spring in Silver Park Gulch by JOSEPH KAUFFMAN for mining and milling purposes. That there are no other works or springs caused by or connected with said works. The land traversed is wholly upon unsurveyed land. That the point of diversion and point of use of said water are each more than six miles from the nearest United States land corner.

A.D. Knowlton

Subscribed and sworn to before me this 28th day of May 1910.
