County of Elko) ss

I, E.C. McClellan, of Elko County, State of Nevada, hereby certify that the above map is a true and accurate plat of Albert W. Goble's watering troughs and pipe line and developing cut into the spring, as taken from the field notes of a survey made by me on Oct. 9, 1910, at the instance of said Albert W. Goble; that it represents the works described in Application No 1848, together with streams and ditches in the immediate vicinity. No lands irrigated.

E.C. McClellan
Surveyor

Plat
Showing method of use of water
by
Albert W. Goble, Jr.
Under Application No
A cut 50 feet long, 8 feet face
Watering troughs for stock
Pipe line from face of cut to troughs and to house, about 1200 feet long.
