I, W.H. Settelmeyer, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me on the 25th day of June 1939; that it fully and correctly represents the location and extent of the works, used to divert water from a spring, in Elko County by Rip Van Winkle Mining Co, for Milling, Mining and Domestic purposes. That the proposed point of diversion and return, the location of the Mill, Mine and Camp, the proposed size of conduits and capacity of Storage Tank and the location of other works or permits or streams which are crossed by said works are fully and correctly designated hereon
