I John V. Mueller being first duly sworn depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me or under my supervision and direction between the 12th day of December and the 16th day of December 1938, that it truly and correctly represents the location and extent of the proposed works used to divert water from Getchell Well in Humboldt County by Getchell Mine Inc. for mining and milling purposes. That the proposed point of diversion and return, the location of the mill and mine, the approximate size and capacity of the diverting conduit and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated hereon.
