I, C. D. BAKER, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 14th of October, 1940; that it truly and correctly represents the location and extent of the proposed works to be used by WALTER W. HARTMAN to divert water from a shaft in unnamed wash in Eldorado Canyon Mining District, in CLARK COUNTY, for mining & milling use. That the point of diversion, approximate location & size of diverting conduit, place and manner of use, and the location and names of all other works or streams which are crossed by or connected with the proposed works, are fully and correctly designated thereon.
