I, K.W. Kennedy, being first duly sworn, depose and say that this map consisting of one sheet numbered 1, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 6th day of May, 1940, and the 7th day of May, 1940; that it truly and correctly represents the location and extent of the proposed works used to divert water from an unnamed spring in Nye County by the U.S. Forest Service, for irrigation purposes, under application No._____; that the proposed point of issuance, location and size of the diverting conduits, the place and manner of use, and the location of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.

K.W. Kennedy
State Water Right Surveyor

Subscribed and sworn to before me this 12th day of June, 1941.
