STATE OF NEVADA } S.S.
County of Clark

I, Ralph L. Motz, being first duly sworn, depose and say that this map consisting of 2 sheets, numbered from 1 to 2, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 16th day of March and the 21st day of March, 1942; that it truly and correctly represents the location and extent of the proposed works used to divert water from LAKE MEAD, in Clark County, by MANGANESE ORE COMPANY, a corporation, for mining and milling purposes. That the proposed point of diversion and return, the location of the mine and mill, the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.

Ralph L. Motz
STATE WATER RIGHT SURVEYOR.

Subscribed and sworn to before me this 23rd day of March, 1942
