D. D. Johnson, being first duly sworn, deposes and says that this Map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the first day of August and the 10th day of September 1943; that it truly and correctly represents the location and extent of the proposed works used to divert water from wells in Nye County by E. M. Booth for Mining and domestic use. That the proposed point of diversion, the location of the , the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.
