
STATE OF NEVADA
COUNTY OF ESMERALDA } S.S.

I, Ed. S. Giles being first duly sworn, depose and say that the map consisting of one sheet has been correctly drawn to the designated scale from the field notes of a survey made by me on the 21st, 28th and 29th days of May, 1944, and correctly represents the location and extent of the works used to divert water from Gold Bar Well, Kelly Well, Indian Spring and Mud Spring in Nye County, by J.R. Kelly and V.E. Greenwald for stockwatering: That the point of diversion, the location and size of the diverting conduit, the place and manner of use and the location and names of all other works and streams that will be crossed by or connected with the proposed works are fully and correctly designated thereon.
