I, F.W. Millard, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me between the 20th and 22nd days of July, 1945; that it truly and correctly represents the location and extent of the proposed works used to divert water from underground source from HENRIOD-DOUTRE WELL in White Pine County by EUGENE A. HENRIOD and JAMES E. DOUTRE for stock-watering purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.

F.W. Millard.
State Water Right Surveyor.

Subscribed and sworn to before me this 3rd day of August, 1945.
