COUNTY OF NYE. }

I, Charles G. Walker, being first duly sworn, depose and say that this map, has been correctly drawn to the designated scale from field notes of a survey between the 23rd. of October 1946. and the 24th day of October 1946; that it truly and correctly represents the location and extent of the works used to divert water from a developed spring in NYE County, by D. Jack White, for domestic and irrigation purposes. That the point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the workings, and the boundary of all lands, shown by 40 acre subdivisions the areas to be irrigated are fully and correctly designated thereon

Charles G. Walker
State Water Right Surveyor.
