I, C.D. BAKER, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 13th day of November, 1946; that it truly and correctly represents the location and extent of the proposed works used to divert water from a drilled well in INDIAN SPRINGS VALLEY in CLARK COUNTY, by HARNEDY & DANE, for irrigation and domestic purposes. That the point of diversion, approximate location and size of diverting channel or other conduit, place and manner of use, and the location and names of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated thereon.
