I, Charles G. Walker, being first duly sworn on oath, depose and say that this Map has been correctly drawn to the designated scale from fieldnotes of the survey made by me the 13th day of May, 1947. That it truly represents the location and extent of the works used to divert water from UTE SPRING (A Slough) in Nye County by Charles W. Williams for domestic and agricultural purposes. That the points of diversion, the approximate location, and size of the diverting channel all reservoirs or basins, the location and ~~size~~ names of all other works which crosses or connects with the work and the boundary of all lands, shown by legal subdivisions the area irrigated is fully and correctly designated thereon.

Charles G. Walker
State Water Right Surveyor.

Subscribed and sworn to before me this 12 day of July, 1947.
