APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of the waters of Negro Creek as heretofore granted under Permit 8393, Certificate 3213 is issued subject to the terms and conditions imposed in said Permit 8393, Certificate 3213, and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and measuring device must be installed and maintained to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The total combined duty of water from Negro Creek under Permits 80453, 80454, 80455 and 80456 shall not exceed 1,812.53 acre-feet annually for the irrigation of 473.68 acres within the described place of use.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

A monitoring plan must be submitted and approved by the State Engineer prior to any diversion of water from this permit.

The point of diversion and place of use are as described on the submitted application to support this permit.

(Continued on Page 2)

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, **and not to exceed 1.512 cubic feet per second or 544.86 acre-feet seasonally.**

Work must be prosecuted with reasonable diligence and proof of completion of work shall be filed on or before: **March 30 2014**
Water must be placed to beneficial use and proof of the application of water to beneficial use shall be filed on or before: **March 30 2017**
Map in support of proof of beneficial use shall be filed on or before: **March 30 2017**

IN TESTIMONY WHEREOF, I, JASON KING, P.E.,

State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 30th day of **March,** A.D. **2012**
