APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of livestock served from the waters of this source. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The total combined duty of water under Permits 80567, 80568 and 80569 shall not exceed 1.69 acre-feet seasonally.

This permit is subject to the condition that the permittee must ensure that wildlife which has customarily used such water will have access thereto, NRS 533.367.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The point of diversion and place of use are as described on the submitted application to support this permit.

(Continued on Page 2)

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, **and not to exceed 0.0023 cubic feet per second or 1.69 acre-feet seasonally or sufficient to water 1,130 head of sheep per season.**

Work must be prosecuted with reasonable diligence and proof of completion of work shall be filed on or before:	**May 29 2015**
Water must be placed to beneficial use and proof of the application of water to beneficial use shall be filed on or before:	**May 29 2016**
Map in support of proof of beneficial use shall be filed on or before:	**N/A**

IN TESTIMONY WHEREOF, I, JASON KING, P.E.,

State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 29th day of **May, 2013**
