I, Charles G. Walker, being first duly sworn, depose and say that this map, has been correctly drawn to the designated scale from field notes of a survey made by me between the day of and the 29th day of June, 1949; that it truly and correctly represents the location and extent of the workings used to divert water from "Artesian Well" in Nye County, by Texas A. McCall, for Domestic and Stock Watering purposes. That the point of diversion, the size of the pipe casing, all reservoirs or basins, the location and names of all other works which will cross or connect with the works, and the boundary of all lands, shown by 40 Acre subdivision, as projected, are fully and correctly designated thereon.

Charles G. Walker.
State Water Right Surveyor.

Subscribed and sworn to before me this 9 day of April 1949.
