I, D. S. Johnson, being first duly sworn, depose and say that this Map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me April 25th thru May 1st 1949. That it truly and correctly represents the location of the proposed works used to divert water from underground sources by PERVINE RANCHES in Nye County for stock watering purposes. That the proposed point of diversion is fully and correctly designated thereon.
