I Charles G. Walker, being first duly sworn, depose and say that this map, has been correctly to the designated scale from field notes of a survey made by me the 6th day of August, 1947; drawn, that it truly and correctly represents the location and extent of the proposed works used to divert water from Last Chance Spring, in Nye County, by Merrill H. Peterson ~~[illegible]~~ ~~[illegible]~~ for stock watering purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, the location and names of all other works or streams, which are crossed by or connected the said works, are fully and correctly designated thereon. Charles G. Walker
State Water Right Surveyor.

Subscribed and sworn to before me this 17 day of August 1947.
