I, L. B. Spencer, being duly sworn, depose and say that this map has been correctly drawn to the designated scale from the field notes of a survey made by me on the 25th day of February, 1950; that it truly and correctly shows the location and extent of the proposed works used to divert water from underground source at Silver Creek Well in Nye County, by Arcularius Brothers and Hunt Land & Cattle Co. for stockwatering purposes. That the Point of Diversion and location of proposed pumping plant, pipe line and watering troughs and all other works are fully and correctly shown hereon.
