I, F.W. Thorne, being first duly sworn, dispose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me and completed on the 11th day of May, 1954; that it truly and correctly represents the proposed location and extent of the works used to divert water from a well, in Nye County, by Charles G. That the proposed point of diversion and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
