I, Robert S. Leighton, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made under my supervision on April 26, 1954; that it truly represents the proposed works used by Louise Bonacorsi to divert water from and under ground source in Pershing County for quasi-municipal use.

Robert S. Leighton
STATE WATER RIGHT SURVEYOR.

Subscribed and sworn before me this 22nd day of May 1954.
