APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit, to change the place of use of a portion of the waters of Thomas Creek as heretofore granted under Permit 71383, is issued subject to the terms and conditions imposed in said Permit 71383, and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and measuring device must be installed and maintained to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

A monthly report shall be submitted to the Federal Water Master within 10 days from the end of each month, which shall include the amount of water diverted and the amount of water used.

This permit is subject to continuing jurisdiction by the Federal Water Master and State Engineer.

The point of diversion and place of use are as described on the submitted application to support this permit.

(Continued on Page 2)

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, **and not to exceed 0.067 cubic feet per second or 10.0 acre-feet as decreed, being limited to the irrigation of 2.67 acres within the proposed place of use and not to exceed a duty of 3.75 acre-feet per acre from all sources.**

Work must be prosecuted with reasonable diligence and proof of completion of work shall be filed on or before:	**October 14, 2015**
Water must be placed to beneficial use and proof of the application of water to beneficial use shall be filed on or before:	**October 14, 2017**
Map in support of proof of beneficial use shall be filed on or before:	**N/A**

IN TESTIMONY WHEREOF, I, JASON KING, P.E.,

State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 28th day of **September, 2015**
