APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the

following limitations and conditions: This permit to change the point of diversion and place of use of the waters of Las Vegas Wash as heretofore granted under Permit 21924 is issued subject to the terms and conditions imposed in said Permit 21924 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial

headgate and measuring device must be installed and maintained to facilitate the measurement and control of water. The State retains the right to regulate the use of the water herein granted at any and all times.

"This permit also limits the use of water to municipal and domestic use only. Nothing in the terms of this permit shall be taken to grant any right of ingress or egress to the applicant, Port Holiday Authority."

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 60.0 cubic feet per second.

Actual construction work shall begin on or before May 21, 1968

Proof of commencement of work shall be filed before June 21, 1968

Work must be prosecuted with reasonable diligence and be completed on or before May 21, 1969

Proof of completion of work shall be filed before June 21, 1969

Application of water to beneficial use shall be made on or before May 21, 1971

Proof of the application of water to beneficial use shall be filed on or before June 21, 1971

Map in support of proof of beneficial use shall be filed on or before

Commencement of work filed July 16, 1969 IN TESTIMONY WHEREOF, I, ROLAND D. WESTERGARD

Completion of work filed State Engineer of Nevada, have hereunto set my hand and the seal of
