I, J. L. Vandiver, being first duly sworn, depose and say that this map consisting of two sheets has been drawn to the designated scale from field notes and maps made by me between Aug. 7 and Oct. 29, 1947 and June 25 and July 7, 1951; surveys and maps made by C. C. Smith in 1915, and surveys and maps made by John E Hayes between Aug. 20, 1951 and April 7, 1952 under direction and supervision of W. H. Settlemeyer; that it correctly represents the location and extent of works used to divert water from Sun Creek in Elko County by Walter M. Gilmer for irrigation purposes under proof 01411. That the location and extent of land owned or controlled by the applicant on which the water right is to be retained as is under proof 01411 and land from which the water right under proof 01411 is to be transferred are fully and correctly designated thereon. No other works or streams are involved.
