APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit to change the point of diversion of/a portion of

waters of Secret Creek as heretofore granted under Permit 1631, Certificate 330, is issued subject to the terms and conditions imposed in said Permit 1631, Certificate 330, and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and measuring device must be installed and maintained to facilitate the measurement and control of water. The State retains the right to regulate the use of the water herein granted at any and all times. This permit is also issued subject to the provision that the springs or water courses on the so-called "Ryan Ranch" will not be diverted or spread from their natural channels or to impede their natural flow to Secret Creek, except for stockwatering purposes; and also subject to the provision that an application to change the point of diversion and place of use of the waters remaining under Permit 1631, certificate 330 after approval of Permits 23923, 23924, 23925 and 23926 be filed within 90 days after such approval; to a location closer to Secret Creek.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0942 cubic feet per second, but not to exceed a seasonal duty of 3.0 acre-feet per acre of land irrigated from any and/or all sources.
