I, Robert S. Leighton, being first duly Sworn, depose and say that this map is drawn to the designated scale from field notes of a survey made under my supervision on August 2 1959, that it truly represents the proposed works used by Thomas F. Hauptman to divert water from an underground source, in Pershing County, for irrigation purposes, that all lands proposed to be irrigated are correctly designated hereon

Robert S. Leighton
State Water Right Surveyor
