APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of cattle served from the water of this source. The State retains the right to regulate the use of the water herein granted at any and all times but does not take responsibility for the use of the Federal range.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0078 cubic feet per second or sufficient to water 250 head of cattle

Actual construction work shall begin on or before October 4, 1968

Proof of commencement of work shall be filed before November 4, 1968

Work must be prosecuted with reasonable diligence and be completed on or before October 4, 1969

Proof of completion of work shall be filed before November 4, 1969

Application of water to beneficial use shall be made on or before October 4, 1970

Proof of the application of water to beneficial use shall be filed on or before November 4, 1970

Map in support of proof of beneficial use shall be filed on or before

Commencement of work filed NOV 26, 1969

Completion of work filed NOV 26, 1969

Proof of beneficial use filed NOV 26, 1969
